

ACKNOWLEDGEMENTS

Written by Ryan Bell, and edited by Betsy Otto of *American Rivers*.

Thanks to Michael Garrity, Kelly Miller, Peter Raabe, John Senn, and Amy Souers of *American Rivers* for their assistance in the research, writing, editing and production of this publication. Thanks to Andy Seth for designing the cover of this report.

Thanks also to the federal agency personnel for sharing information about their programs and alerting us to other programs that might be used for riverfront restoration/revitalization.

Through their generous support of *American Rivers*' river restoration finance programs, we would like to thank the following for making this report possible:

The Dibner Fund, Inc.
Ecolab Foundation
The George Gund Foundation
The McKnight Foundation
Surdna Foundation, Inc.

This report does not necessarily reflect the views of the above organizations and individuals.

Cover photos: FreeFoto, Friends of the Chicago River, Diane Brunberg, and Anita DeStephano/Robert Searns
