THANK YOU

Governor Newsom, Governor Brown, and Warren Buffett

for Protecting Our Future by Restoring the Klamath River.

Yurok youth at Annual Salmon Festival on the Klamath River in California.

Photo credit: Yurok Tribe

Klamath dam removal will take place in 2023 thanks to leadership from the States of California and Oregon, PacifiCorp, the Karuk and Yurok Tribes and the Klamath River Renewal Corporation.

For the salmon, for the health of the river, for the economic future of all Klamath Basin residents:

Thank you.
